Dear Exhibitor:

As the general contractor for this show, we have coordinated the necessary services you may need. Enclosed are order forms for materials and services that may be required. By returning the completed forms with payment prior to the cut-off date, all equipment will be installed in your booth prior to your arrival. If you are not going to personally plan and supervise your event, please forward this kit to the person you have appointed to be in charge.

Planning Assistance Analyze your exhibit needs as they relate to furnishings and services offered on the enclosed forms. If you require assistance in planning your exhibit, please contact our office. We will be happy to suggest how you can best use the equipment and services available to make your booth space a functional and handsome showcase for your presentation. Please call us to inquire about items you may be interested in which may not be included in the kit (for example custom furnishings, plants, audio visual equipment).

Please Note All forms are to be returned to the address specified on them.

Basic Information Listed below is show site information that will help you in planning a successful exhibit.

PAYMENT IN FULL MUST ACCOMPANY YOUR ORDER. Orders received without payment will not be processed; additionally, orders placed after the above date will be charged at floor price. Orders placed during installation are **C.O.D.**

Important We have included all necessary information to assist you in shipping materials to the show. The cut-off-date for receiving freight at our advance warehouse, without incurring additional costs, is **AUGUST 2nd**. Please use enclosed shipping labels for accurate delivery. Refer to our Material Handling Service form for pricing.

Please note the difference between Shipping & Material Handling. These are two separate and distinct chargeable services. Shipping is the act of moving your materials from an origin to the loading dock at the show facility. Material Handling is a comprehensive charge that includes the services of bringing materials from the loading dock (or package room) to your booth, removing and storage of empties during show, returning of empties after the show and moving of repackaged materials to loading dock for shipment out.

(You may either ship with Advantage Expo or use your own independent shipper).

Should you choose to ship directly to the facility please: (1) Contact the property directly for information on current policies, restrictions and rates for handling, shipping, receiving, storing, etc., (2) Understand that you take full responsibility for that shipment and that any issue must be dealt with directly with the facility. Advantage Expo cannot provide assistance for tracking or locating any packages shipped independently, (3) Items sent directly to the facility, not labeled with official show label or not naming Advantage Expo as recipient will not be able to be retrieved and brought to the exhibit hall by our staff, and (4) if any material and handling services are required, including storing empties or moving outbound materials to loading dock, these charges as well as any open balances must be paid at the Advantage Expo service desk **PRIOR TO THE OPENING OF THE SHOW**. For your convenience, we accept MasterCard, Visa, American Express, Checks, or Cash.

Questions and/or Adjustments Should you notice any discrepancy in the items ordered and the items received or have any questions and/or complaints, please report to ADVANTAGE CONFERENCE & EXPO, LLC's Service Desk at the show immediately upon noting same. Your problems will be resolved and/or any valid adjustments to your account will be made at that time. Credits and adjustments will not be made based on such information received after post-show invoicing.

We look forward to being of service to you and if any additional information is needed, we encourage you to contact the show representative Kathy Moritz at 410.789.5000.

To assist you in planning your participation in the forthcoming exhibition, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you please review the following:

Decorators Union

Members of this union claim jurisdiction over all set-up and dismantling of exhibits, including signs and carpet installation. This does not generally apply to the unpacking and placement of your merchandise. You may set up your exhibit display if one person can accomplish the task in less than one hour, without the use of power tools. Please refer to page 12 for rates/charges. Any flooring regardless of size or style must be installed by Advantage Conference & Expo personnel.

Teamsters Union

This union claims jurisdiction on the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may move the material that can be carried by one person, in one trip, without the use of dollies, hand trucks, or any mechanical equipment. Please refer to page 7 for rates/charges.

Safety

Standing on chairs, tables, or any other rental furniture is prohibited. The furniture is not engineered to support your standing weight. Advantage Conference & Expo, LLC is NOT responsible for injuries caused by improper use of furniture.

Tipping

Advantage Conference & Expo, LLC requests that exhibitors do not tip our employees or any acting members of the labor unions. We feel they are paid at an excellent wage scale, denoting a professional status, thus making tipping unnecessary.
